Easy Italian Chicken

"Your favorite Italian-style salad dressing makes a simple but splendid marinade."

Ingredients:

6 skinless, boneless chicken breast halves
1 (16 ounce) bottle Italian-style salad dressing

Directions:

1. To Marinate: Pour salad dressing into a large, resealable plastic bag. Add chicken breasts, seal bag and shake to coat. Place in refrigerator for at least 1 hour or overnight (the longer you marinate, the more taste the chicken will absorb).
2. Preheat oven to 350 degrees F (175 degrees C).
3. Remove chicken from bag, discarding remaining marinade. Place chicken in a lightly greased 9x13 inch baking dish and bake at 350 degrees F (175 degrees C) for 1 hour, or until chicken is cooked through and juices run clear. Note: Turn chicken occasionally while baking

Duty of the Tax Collector

The Tax Collector is “the keeper of revenue”.

The sole duty of the Collector is to collect taxes on real and personal property, mobile homes and vehicle registrations. Each month millage rates are broken down to determine exact amounts to be disbursed to municipalities and schools within Hinds County. Then by state statute, on the 20th of each month, these taxes are distributed out to ensure the functionality of each municipality and school.

Things that are not controlled by the Tax Collector:

- Tax amount for Real property– This figure is calculated from the assessment values determined by the Tax Assessor.
- Tax amount for Personal property– This figure is determined by the furniture and fixture assessments calculated by the Tax Assessor.
- Mobile Homes taxes– These taxes are based solely on the value of the structure of the mobile home.
- Vehicle registration– The cost of your vehicle registration is determined by several factors, including but not limited to:
 - 1.) the millage rate set by your municipality
 - 2.) the value of the vehicle
 - 3.) the taxing district in which you reside
