

BUILDING PERMIT REQUIREMENTS

No buildings or other structures including, manufactured homes shall be erected, moved, set-up, added to or structurally altered without a BUILDING PERMIT. All building permits shall be issued in conformity with the provisions of the Hinds County Zoning Ordinance, the International Building Codes and other applicable laws.

No building permit shall be required for the construction, alteration, enlargement, extension, raising or moving a farm building or structure: Provided you have proof that you have a registration number obtained from (USDA) Department of Agricultural designating your land as a farm. (FARM: an area of land more than ten (10) acres which is used for intensive agricultural activities as defined in the Hinds County Zoning Ordinance.)

ITEM REQUIRED TO OBTAIN A BUILDING PERMIT

1. The name, address and telephone number of the owner and/or licensed contractor, if different from the owner. (Address of building location will be required before a final inspection can be made. Address may be obtained from the Hinds County Emergency Operations Center.
2. The type of building to be constructed and the type of construction to be utilized.
3. The existing and proposed use of the buildings and land.
4. **Two (2) complete set of plans Shall include detailed specifications (Site Plan, Storm Water, Foundation, Framing Diagram, Plumbing, Electrical and HVAC ductwork layout, Heat/Loss gain calculations which determines the size of the unit and compressor location. After approval, one (1) set of plans will be returned to you to be placed on the job site and the other set for our building inspectors use.**
5. The type of sewer to be used and if it is a treatment plant, a copy of **SOIL AND SITE EVALUATION/SYSTEM RECOMMENDATION** by the Hinds County Health Department. If on a community system a letter from that system's management approving applicant's connection for sewage, will be required.
6. A copy of **written approval for a water meter or connection hook-up** from the water company serving your location. (If a water well is to be used you must have written approval from the Hinds County Health Department.

7. **Proof of ownership** must be shown in the form of a warranty deed recorded by the chancery Clerk's Office.
8. Total square feet of heated and cooled space in your building is needed.
9. All permits are valid for two (2) years from date issued and construction must begin within six (6) months.
10. If any part of your property is in a Flood Zone you will be required to obtain a registered engineer to complete a Flood Data Certificate (This department will provide you the proper form).
11. Any other information pertinent to conforming to the enforcement of the Hinds County Zoning Ordinance adopted April 5, 2004.
