County Administrator

FOR IMMEDIATE RELEASE

Hinds County Website Restored

February 25, 2015 – Hinds County, MS: This morning it was discovered that the Hinds County website was hacked by an unknown source. We take this incident very seriously and are investigating. The county's informational systems are fully operational and has not been compromised. More information will be shared when possible and legally allowed.

For additional information about this press release, please contact Carmen Y. Davis, Hinds County Administrator, at 601-968-6501 or email: cdavis@co.hinds.ms.us.
