

**PUBLIC WORKS DEPARTMENT**

**APPLICATION FOR INSTALLATION  
OF DRIVEWAY CULVERT BY OWNER**

It is requested that the applicant be authorized to install a(n) \_\_\_\_\_"diameter driveway pipe, \_\_\_\_\_' in length, at:

Address: \_\_\_\_\_

Lot No. \_\_\_\_\_ of \_\_\_\_\_ Subdivision.

An application fee is not required for this permit.

The applicant is (check one)

\_\_\_\_\_ The Legal Owner of the property to which access shall be provided; or

\_\_\_\_\_ The Authorized representative of that owner. (If the Applicant serves as the authorized representative of the owner, a letter to that effect, signed by that rightful property owner, must be attached to this application.)

Submittal of this application serves as certification that the property owner is aware that pipe flow line elevations are based on as-built elevations, as established by the developer's engineer. The owner does hereby warrant to Hinds County that said owner assumes responsibility for installation of the pipe to the proper flow line elevations and for the re-establishment of as-built flow lines in the remainder of the open ditch section adjacent to the property served by this permit application. Further, any adverse drainage effects caused by improper ditch work shall be corrected by the owner for whom this application is submitted, at no cost to Hinds County or any subsequent owner.

WITNESS THE SIGNATURE OF THE APPLICANT THIS \_\_\_\_ DAY OF \_\_\_\_\_, \_\_\_\_\_.
